Note.

The Examiner reports
that the scale of Executive
Engineers, I Grade, should
be reduced from 12 to 11
from 22nd October 1889 the
date on which Major
A.R. & Doward R.E. reverted
to the Home List.

Considering that Major
Doward was on furlough
at the time of his reversion
and that the fact was
only communicated to
this Department in Proceedings
of Military Department N^o 1196,
dated 17th February 1890, it
seems hard that officers
who had received promotion in
the interval of four months
should now be made to
refund the increases so earned.

For orders.

J. M.

Under the circumstances
I think the revision
should only take place
from the date on which
he was informed that
Major Brown and his
reverted to home service.
The list of names should
be addressed accordingly.

To W.

As promised in para 3 of my office
note No. 1028 dated 26th. February 1890 &
with reference to the above, I beg to
forward herewith a statement showing, in
detail

detail, the reversions necessary in the Engineer Establishment, consequent on the reversion to the Home Establishment of Major A.R.F. Dorward R.E. Executive Engineer 2nd Grade, and the amount of salary that the officers reverted will have to refund.

2. The additional amounts the officers affected will have to refund for each whole month after 28th. February 1890 are also given in column 7 of the statement.

(Enclure)

I don't see that the grievance is
lopat. It will really affect only
the last officer in each ^{command} ~~arrangement~~
of the whole detachment ~~and~~ ^{consequently}
4 months' difference of pay in each grade
two single officers will probably suffer
to that extent. Let me know what
it means first. India won't sanction
without the information. Mrs
Rajya Krishna Moh - 5 Mar

1025 of 26-2-90

explains the necessity
of the reversion of
certain officers -

The promotion made
here in the home
course, consequent on
Major Dorward's absence
on furlough & if timely
notice had been given
of his transfer to the Home
Est. the scale would have
been re-adjusted without
retrenching the pay of
several officers.

To

The Secretary to the
Government of India.
P.W.D.

Sir,

I am directed to
request that the Govt. of India
may as a special case be
pleased to accord sanction
to the 17th February 1890 being
fixed as the date on which
for purposes of promotion the
scale of Executives of the
Madras Public Works Dept.
should be reduced by one
under Madras P.W. Code
para 35 in consequence
of the reversion to the Home
Establishment of Major
A.R.F. Dorward R.E. Executive
Engineer 2nd Grade.

2. I am to state that
Major A.R.F. Dorward
proceeded ^{to England} on 1st Jan and
188 days furlough on the
27th April 1888, that this
furlough was afterwards

extended to 2 years, i.e. to
27th April 1890; and that
only on the 17th February 1890
was this Dept^y informed
through the Secretary of States
Despatch N^o 3 of 15th January
1890 that Major Dorrwards
reversion to the Home Subst
had been ordered from the
22nd October 1889.

3. It will be a great
hardship to ~~deprive~~^{the}
Officers who ^{have} received Sub-
stantive ~~has~~ ^{has} ~~ten~~ and temporary
promotions between the
22nd October '89 and the 17th
February 1890 to be reverted
with retrospective effect
from the former date and
to refund four months
increase of salary.
