GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following papers :—

From the Superintending Engineer, V Circle, dated 18th February 1890, No. 7391.

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepāk, 25th February 1890, No. 1891.

With reference to your memo. No. 4738 C., dated the 1st October 1889, to the Superintending Engineer, V Circle, transferred to me for disposal, I have the honor to submit statements showing details of expenditure incurred and amount required to complete the improvements to the Civil Orphan Asylum buildings as follows :—

	RS.	A.	P.	RS.	A.	P.
Work executed up to 31st October 1889, as per statement A	8,917	7	11			
Work done since November 1889 to the 17th February 1890 (not paid)—vide statement B	962	7	7			
Work remaining to be done on the original estimate—vide statement C	932	0	0			
Other works not provided for in the estimate, since admitted to be necessary—						
1. Red Hills water-supply	187	0	0			
2. Coach-house and stables	730	0	0			
3. Another room for bakery	700	0	0	1,617	0	0
Total	12,428	15	6			

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated Chepāk, 5th March 1890, No. 2015.

In returning your office note No. 1148 C., dated the 3rd March 1890, with enclosure, I have the honor to forward a report from the sub-divisional officer in charge of the Civil Orphan Asylum works.

2. The additional grant of Rs. 11,400 appears to have been applied for under a misapprehension, not having had full particulars of the work when the application was made.

3. I have since received a letter from the Honorary Secretary to the Asylum in which he states "I take this opportunity of naming another urgent want, viz., a new night latrine in lieu of the one now situated in the east end of the upper dormitory, and which portion is being fitted up as a chapel. The Chaplain is preparing a complete precis of papers and letters for your information, but in the meantime, Mr. Ottmann can explain what verbal arrangements were made about a night latrine. The position of present arrangements is very inconvenient, insanitary and prejudicial to the health of the nursery boys."

4. This latrine which will cost about Rs. 300 was not included in the statement sent.

ENCLOSURE.

Copy of a communication from the Assistant Engineer, South Sub-Division, to the Consulting Architect to Government, dated 5th March 1890, No. 4726.

On the 5th March 1889, in No. 6002, the Superintending Engineer communicated G.O., No. 498 W. of 18th February 1889, and authorized to proceed with the buildings sanctioned, specifying the same in a manuscript order, one by one, among which is the new boys' cook-room and store No. 23, Rs. 1,755, and I was further to add a room to this block, for purposes of bakery, the plans and estimates were received at the same time. This block has been built and the bakery room attached thereto. The amount of Rs. 1,200 is therefore not alienable. G.O., No. 498 W. of 18th February 1889 supersedes, it was understood, G.O., No. 3036 W. of 20th September 1888.

The several allotments for the work amount to Rs. 21,445.
The outlay is as under:—

	RS.	RS.
1887-88—Repairs ...	7,949	
1888-89—Do. ...	2,497	
		10,446
1888-89—New Works ...	1,487	
1889-90—Do. ...	7,434	
		8,921
Total ...		19,367

Bills have since been submitted to extent of Rs. 946 and work remaining to be executed as per statement Rs. 949, making in all Rs. 21,262. Work subsequently sanctioned, column 3 of comparative statement, Rs. 1,617.

Total of the whole Rs. 22,879 being in excess by only Rs. 1,434.

In regard to para. 2 of Chief Engineer's office note, I have the honor to explain that two

of the items comprised in Rs. 1,617 I was authorized to estimate for. The second has been sanctioned by you, and under execution. The first remains to be sanctioned. Old materials to some extent are to be used, therefore the small estimate. The first two items are sanctioned in G.O., No. 1,935 W. of 18th July 1889. In regard to the third item of Rs. 700 included in Rs. 1,617, I have the honor to say that on the occasion that the Honorable Messrs. Stokes and Garstin and Colonel Drake-Brockman met at the Asylum, on the 11th October last, I understood that an additional room for the bakery was admitted, and therefore made provision for it, to the extent that the other room cost. If this item is struck out, the total amount for the work built and remaining to be built will be Rs. 22,179, and excess therefore Rs. 734.

From H. IRWIN, Esq., C.I.E., Consulting Architect to the Government of Madras,
to the Chief Engineer, Public Works Department, dated Chepāk, 12th March 1890, No. 2102.

In continuation of my letter No. 2015, dated 5th March 1890, I have the honor to state that the Honorary Secretary to the Civil Orphan Asylums in a letter, dated 6th instant, states that the wants still unsupplied are (1) night latrine, (2) more rooms at bakery, (3) raised floor for the choir and sacristy in the chapel, (4) another vestry. I have already reported that the first item will cost Rs. 300, the other three items referred to are not included in the statements submitted, I solicit permission to prepare plans and estimates for the same.

Office note from the Consulting Architect to the Government of Madras, dated Chepāk, 17th March 1890, No. 2182.

[Your office No. 1445 C., dated 15th March 1890.]

A grant of Rs. 7,000 is required for 1889-90 to meet the expenditure on the Civil Orphan Asylum.

2. No outlay appears to have been incurred against the allotment of Rs. 8,445 made in 1888-89.

ORDER—dated 27th March 1890, No. 979 W., Public Works.

The original estimate for repairs to the Civil Orphan Asylum buildings sanctioned in G.O., No. 2547 W., dated 24th September 1887, amounted to Rs. 16,540, and this amount was subsequently increased to Rs. 21,445 *—vide G.O., No. 3036 W., dated 26th September 1888. The repairs estimated to cost Rs. 13,000 were completed at a cost of Rs. 10,447,† but under new works several items have been added to the programme. In G.O., No. 1935 W., dated 18th July 1889, the execution of the following works was authorised:—

A shed for a bullock-coach and two bullocks.
A coach-house and stabling for one horse.
Red Hills water-supply.

2. The statements now submitted by the Presidency Architect give the following results:—

	RS.	A.	P.
Work executed and paid for up to October 1889—			
Repairs ...	10,447	0	0
New works ...	8,919	7	11
	19,366	7	11
Work done since November 1889, but not paid for ...	962	7	7
Work remaining to be done ...	932	0	0
Red Hills water-supply ...	187	0	0
Coach-house and stables ...	730	0	0
Another room for bakery ...	700	0	0
Total ...	22,877	15	6

3. The Government accepts the sum of Rs. 22,878 as the final estimate of the cost of work carried out and to be executed by the Public Works Department. In G.O., No. 3173 W., dated 8th November 1889, the value of certain buildings assigned to the Government was ordered to be taken as a set-off against Rs. 10,000 of the expenditure incurred by Government.

4. The additional works mentioned by the Presidency Architect in his letter No. 2102, dated 12th March 1890, were not contemplated when the original programme was drawn up and cannot be carried out at the cost of the State.

5. A sum of Rs. 7,000, reported by the Presidency Architect to be the allotment required for the current official year, is appropriated from the Provincial reserve with the Government.

In re: 479
Civil Asylum Buildings

In L.O. No 2547 W of 24th
September 1887. The Original
estimate amounting to
Rs 16,545 for the repair of
the Civil Asylum Buildings was sanctioned
and a grant of Rs 6000 was
made for this work in
L.O. Educational No 363
of 15th July 1887 -

In L.O. No 3036 W of 26th
September 1888 proposals
were made for the expenditure
of Rs 14,645 on new work &
Rs 13,000 on repairs as
detailed in the statement
attached to the order.
In view of carrying out
the proposals of the
Asylum Authorities
a further grant of Rs 8445
was found to be necessary
as a set off against the
grant it was proposed
to transfer to Govt building
Nos 20 & 21 on the plan with
the land attached which
were valued at Rs 7000,
and if this was not considered
sufficient to also transfer
building No 3 valued at
Rs 5500 -

The Govt in the P.W. Dept
agreed to purchase building
Nos 20 & 21 at the valuation

and the Rs 7000 in respect of the grant asked for which it was stated would be considered in the Educational Dept.

The estimate with Rs 14,645 for improvements & additions and Rs 18,000 for repairs making an aggregate amount of Rs 32,645 was reduced by Rs 2,455 by the omission of the amount Rs 5000 for the Bakery, and by the reduction of the amount Rs 1,755 for the Boys Cook & Store Room by Rs 1,200 thereby making a total reduction of Rs 6,200, and the Supr. Engr. was authorized to proceed with the work accordingly.

The further grant of Rs 8,445 asked for was made in G.O. Financial No 897 d/30th November 1889, and in G.O. No 3817 d/4th Dec/89 a sum of Rs 7000 was allotted from the Provincial Reserve for the purchase of the two buildings Nos 20 & 21 on plan, so that the total allotment of funds are

which is the amount of the Est: as reduced by the omission of the Bakery

11
979

In G.O. No 490 d/10th Feb. 1889 it will be seen that the repairs estimated to cost Rs 13,000 has been completed at a cost of Rs 10,447 showing a saving of Rs 2,553, and that work to the extent of Rs 10,545 remained to be done which makes the total value of work done & to be done Rs 20,992 or Rs 453 less than the sanctioned Est of Rs 21,445 -

From the Supr. Engrs Statement attached to the above mentioned G.O. it would appear that the full amount of Rs 1,755 has been obtained for the Boys Cook-house & Store Room, the Est: for the Bakery alone having been reduced from Rs 5000 to Rs 900.

In G.O. No 1130 d/29th April 1889 certain additions were asked for viz

- (1) A shed for a pair of bullocks & Cows -
- (2) A Cook-house & Stables
- (3) The Hills water to be laid on when the old pipes were cut off and taps to be provided in the Singants Quarters & Head Master's house -

in addition were
sanctioned in G.O.
No 1935 W of 10th July 1889
and the proposed gate
in the compound wall,
which was projected to
be at the same time
cancelled.

With reference to the
consequence of the
of any further sanction to
the valuation of the
buildings being placed
at Rs 7000 when they
consider them to be
10,000 Rs, the Govt.
in its order No 3173 W
of 8th Nov. 1889 accepted
the latter valuation as
the outside price in
consideration of the
improvements carried out.

It is understood that
no more money is to
be paid but that
out of other of the
grants is to be reduced
to the extent of the
increased valuation
being Rs 3,000 for the
buildings.

The following statement
shows -

(Col 1) The original sanction
accorded in G.O. No 2547 W
of 24th Sept 1889 for
Rs 16,540

(2) The subsequent sanction
accorded in G.O. No 3036 W
of 26th Sept 1889 for
Rs 21,445 -

The arrangement did not involve
any increased grant.

It meant simply that instead
of taking Rs 7000 as a set-off against
the large grants made by Govt. for
improvements & repairs to the
buildings, the Govt. consented to
Rs 10,000 being set-off against such
grants. Cu

As far as I can see everything
mentioned to my hon. colleagues &
myself on 11th Oct is included in
the first three items above, apper-
taining Rs 2592. For the sake of
peace & to get rid of the thing, I
agree to sanction this sum. But
the two night latrine is an after-
thought, and can entirely new
demand which the Asylum should
pay for. We were understood to
do everything needed for it.

Rs. 2894 is shown in this
letter. This is 24 short of
the night latrine etc. on the Govt.
Rs. 2894 is an afterthought.
I wish to see the plan of the new
bakery & latrine house & other
before they are put on hand -
The sum of 3571.7.7 is the
sanctioned - I placed it in the
report of the S.P.W. 14/3/90
The three items are included in
the total of Rs. 23,179 - the
new night latrine & structure
and the total will be Rs. 22,179

In returning your office Note No 1148C

the honor to forward a Report from the
Sub-divisional officer in charge of the Civil
Orphan Asylum Works.

The additional grant of Rs 11,400
appears to have been applied for under a
misapprehension, not having had full
particulars of the work when the application was
made.

I have since received a letter
from the Hon: Secretary to the Asylum in
which he states "I take this opportunity of
naming another urgent want viz a new
Night Latrine in lieu of the one now
situated

situated in the East end of the upper
dormitory, and which portion is being fitted
up as a chapel. The Chaplain is preparing
a complete precis of papers and letters for
your information, but in the mean time, -
Mr Ottmann can explain what verbal
arrangements were made about a night
Latrine. The position of present arrangements
is very inconvenient, in sanitary and prejudicial
to the health of the nursing boys.

This Latrine which will cost about
Rs 300 was not included in the statement
sent.

proceed with the buildings sanctioned, spec-
ifying the same in a or manuscript order,
one by one, among which is the new Boys
Cook room and store No 23, Rs 1750, and I was
further to add a room to this block, for
purposes of Bakery, the plans and estimates were
received at the same time. This block has
been built and the Bakery room attached
thereto. The amount of Rs 1200 is therefor
not alienable. G.O. No 4984 of 18th February
1890, supersedes. it was understood, G.O.
No 3156 of 20 September 1889.

The several allotments for the
work amount to Rs 21,445.

Bills have since been submitted to extent of Rs 946 and work remaining to be executed as per statement Rs 949, making in all Rupees 21,262. Works subsequently sanctioned Column 3 of Comparative statement Rs 1617.

Total of the whole Rs 22879, being in excess by only Rs 1434.

In regard to para 2 of Chief Engineer's Office note, I have the honor to explain that two of the items comprised in Rs 1617 I was authorized to estimate for.

X Coach house & stables
Rs 700 Red Hills water supply Rs 157. The second has been sanctioned by you, and under execution. The first remains to be sanctioned. As materials to some extent are to be used, therefore the small estimate. The first two items are sanctioned in Rs No 1935 of 18 July 89. In regard to the 3rd item of Rs 700 included in Rs 1617, I have the honor to say, that on the occasion, that the Honble Messrs Stokes and Harston, and Col. Drake Brockman, met at the asylum, on the 11 October last,

I understood that an ^{2d} room for the Bakery was admitted, and therefore made provision for it, to the extent that the other room cost. If this item is struck out, the total amount for the work built and remaining to be built will be Rs 22179, and excess therefore Rs 734.

G.O. No. 498 of 18.3.89.

The original estimate for repairs to the Civil buildings orphan asylum sanctioned in G.O. No. 2547 of 24 September 1887 amounted to Rs. 16,540, and this amount was subsequently increased to Rs. 21,445. vide G.O. No. 3086 of 26 September 1888. The repairs estimated to cost Rs. 13,000 were completed at a cost of Rs. 10,447, but under new works several items have been added to the programme. In G.O. No. 1935 of 18 July 1889 the execution of the following works was authorized -
 1. Shed for a bullock
 2. Shed for two bullocks

at coach house and stabling
for one horse

Red Hills water supply.

2. The statements now
submitted by the President
Architect give the following
results.

Work executed } Repairs 10,467.00

Re 22,877.15-6

3. The Government accepts
the sum of \$22,877.15 as the
final estimate of the cost
of work carried out and
to be accounted by the Presi-
dent. In L.O. No. 21731
of 8 Nov 1889, the value of
certain buildings assigned
to the Govt. was ordered
to be taken as a set off
against \$10,000 of the
expenditure incurred by
Government.

4. The additional works
mentioned by the Presi-
dent Architect in his letter
No 2102 of 12 March 1890
were not contemplated
when the original pro-
gramme was drawn up.

* note. All amounts to
the extent of \$2,214.45
were made in 1887-88 &
1888-89. but a portion
of them defunct.

and cannot be carried
out at the cost of the State.
5. A sum of \$7,000,
reported by the President
Architect to be the allot-
ment required for the
current official year,
is appropriated from the
Provincial revenue with
the Government.
