READ the following paper :—

From the Ven. the Archdeacon of Madras, 19 March 1890.

No. 314.

I have the honor to request the Sanction of Government in the Financial Department for the transfer of the following works from the Civil to the Public Works Department, and that the Accountant General may be authorized to place the undermentioned sums at the disposal of that Department, before the end of the present financial year.

2. The money is available from the allotment to the Archdeacon for 1889-90.

(1). The sum of Rs 530 to the Executive Engineer, Bangalore Division, Military works.

This is for new iron gates etc to the Wesleyan Cemetery Bangalore, sanctioned in G.O. No. 96, 27th September 1889.

(2). The sum of Rs 455 to the Executive Engineer, West Coast Division, for repairs to the Church at Palghat.

(3). The sum of Rs 100 to the D.P.W. Godavari Eastern Division, Dowlaishwaram, for—

repairs to the Porch of the Church at that Station.

As no (1) was an important work, and with regard to (2) and (3) as no responsible Civil Officers were available to Superintend the work, the D.P.W was requested to undertake it, but the money was to be provided from the Civil Department.

The Accountant General informs me he has no authority to place this money at the disposal of the D.P.W without the sanction of Government. May I request sanction be given to enable the money to be transferred before 31st March.
