1/999 Co. No. 2,703.

Note.

The transfer of military works to the Military Department to result in a net loss of about Rs 70,000 to Provincial funds, even after taking into account the abolition of the Presidency and the Nilgiri Divisions. When the Civil works at Madras were ordered to be transferred to the Architects' Division, it was presumed that there would be no extra cost, and that two Sub-Divisions with their establishments would suffice to carry on the works. As, however, some extra work will necessarily devolve on the Presidency Architects' Division on account of the transfer of Civil works

works at Madras to that division, it is quite necessary that some additional establishment should be sanctioned. The Presidency Architect in his letter No. 1925, dated 27th February applied for 1 clerk on Rs 60 to 80 and 2 draftsmen (one on Rs 80 to 100 and the other on Rs 50-70) and when he was asked to submit a proportion statement he comes up for 2 clerks (one on Rs 60 to 80 and the other on Rs ~~40~~ 30 to ~~60~~ 40) and 3 draftsmen (one on Rs 80-100, a second on Rs 50-70, and the third on Rs 20-30). The establishment applied for being excessive, it cannot be sanctioned, and the following remarks are submitted for consideration and orders.

Draftsmen: The present head

Vide C. A. His note d/24-1-84 put up with G.O. No: 350 W d/9-2-84.

2/999

head clerk of the office on Rs 200-250 is really a draftsman who was graded as a clerk for the express object of remunerating him for his special skill as a draftsman. He discharges the duties of both head clerk and head draftsman ~~Vide~~ G.O. No. ~~dated~~ .

Another Special Draftsman on Rs 80-100 was also sanctioned in G.O. No. 1196 W, dated 23rd April 1888. In addition to these two highly paid draftsmen, the Presidency Architect applies for 3 draftsmen as shown below, one of whom is said to be required for the East Sub Division in charge of Mr. Stephens.

1 draftsman - Rs 80-100.
1 —ds— " 50-70.
1 —ds— " 20-30.

None of the Executive Divisions of the P. W. Department, has a draftsman

draftsman on Rs. 80–100, the highest being only on Rs. 50–70. Even in the Architect's Division is a special one, the draftsman on Rs. 80–100 cannot be allowed in consideration of the highly paid drawing establishment already employed. The special draftsman on Rs. 80–100 is only allowed to Supdg Engineer's offices and as there is one of that grade already in the Architect's Division the request of the Presidency Architect is inadmissible. If approved, the following grades may be allowed.

Applied for

1 ——— 80—100.
1 ——— 50—70.
1 ——— 20—30.

Proposed to be sanctioned

1 ——— 50—70.
1 ——— 35—50.
1 ——— 20—30.

Clerks:

The Presidency Architect applies for two clerks, one on Rs 60–80 and the other on Rs 30–40. The pay of the head clerk of the late Presidency Division was only Rs 60–80. As the Civil Works transferred to the Architects' Division will be less than 1/3 of the works in the late Presidency Division, the request of the Architect for a clerk on Rs 60–80 does not seem reasonable. If approved the following clerical establishments may be sanctioned.

Applied for

1 clerk on Rs. 60–80.
1 clerk on - 30–40.

Proposed to be sanctioned.

1 clerk on Rs 50–60.
1 clerk on Rs 30–40.

The number of draftsmen applied for is also excessive. As the number in the late Presidency Division was only 5 and more of

3/899

of Military Boards.
The Case stands at
present having been
transferred on 19th Feby
to the Secretary Medical
Staff for their opinion &
have been able to
estimate the requirements
exactly: It is therefore
submitted for consider-
ation, to allow the
establishments above
proposed temporarily
for one year, subject
to their being made
permanent after Expiry
of the year on report
by the Secretary of
Legislature as to the
observations generally
for their permanent
retention.

Submitted for
orders.

The establishment noted
for approval & the exemption,
& an attempt should be
made to work with the
revised scale, as entered
in pencil on the proposition
Statement.

The work increase will be

mac/12/3.

4/999.

Add 65 per measem with loss
of Add 235 as proposed by
the Pres.y Architect &
considering the increase
of work in the division,
I think the extra establishment
according to the revised
scale drawn up in this
Office, should be
allowed.
The draft order should
compare the demands
of the P.A. with the
scale & be sanctioned.
