Land

Ordered that the notification for acquisition of — required in Vadahasaram agharam in Guntur taluk for quarrying purposes, be published in the Fort St. George Gazette.

Objection Statement

2/1102

The agent of the Agharamdar who is the owner of the land in question states that as the land is required for quarrying lime stone, compensation should be granted him at the rate of Rs 1000 per acre, and decline to part with the land for a smaller compensation.

Remarks.

The rate of compensation demanded by the Agent, viz, Rs 1000 per acre is exorbitant and cannot be granted. Compensation at Rs. 75 per acre was paid to the same agent on a previous occasion for land taken up in the same village for the same purpose. Under these circumstances, the only alternative left is to proceed under Act X. of 1870.
