...partment, the Hospital
Assistant

No 495 P.R

Office of the Chief Engineer,
Periyar Project Works,
Periyar 14th March 1890.

From

Colonel J Pennycuick R.E.,
Chief Engineer, Periyar Project.

To

The Chief Engineer,
P.W. Department.

Sir,

With the concurrence of the Surgeon General with the Government of Madras I have the honor to request the sanction of Government to the grant of a charge allowance of Rs 25 to the Hospital Assistant in charge of the Thekady hospital in addition to the Periyar allowance granted by G.O No 2135W of 8th August 1889.

2 In reply to a reference on the subject from the Surgeon General I stated that I considered that it was for him to decide whether, according to the practice of the medical Department, the Hospital Assistant

Assistant should be considered as in "independent charge" so as to entitle him to charge allowance.

3. The Surgeon General after consideration of the whole circumstances is of opinion that he is entitled, but that "as the charge allowance for hospital assistants varies from Rs 10 to Rs 25 according to the condition of the station the rate to be given in this case should be determined in communication with the District Medical officer Madura".

4. The latter officer considers that under the circumstances of the case "the highest charge allowance of his rank, viz Rs 25 per month" should be granted, an opinion from which I see no reason to dissent.

5 The grant should I consider have retrospective effect from the date of opening of the hospital at the Periyar.

I have the honor to be,
Sir,
Your most obdt Servt
J. Colvin Lt Colonel RE,
Chief Engr Periyar Project.
