Read again—

Government of India, Public Works Department, Resolution No. 272 A.G., dated 24th July 1888.

Resolution—

In para. 3 of the Resolution read above laying down certain instructions for the prompt adjustment of expenditure incurred by the Public Works and Telegraph Departments in connection with military operations in the Field, it was ruled that for all services required of these departments, which are likely to cost more than Rs. 500 in each case, estimates must be framed and submitted for sanction.

2. To ensure that the Public Works and Telegraph authorities have fully satisfied themselves as to the cost of a work, it is further ordered that the debits against the Military Department, through the Central Adjusting Account, on account of constructing roads, telegraph lines and other works in connection with Field operations, should be supported by—

(1) A copy of the sanction to estimate.

(2) A copy of the order under which the work has been undertaken.

3. In the latter case, unless the order is issued by the Government of India in the Military Department, or by His Excellency the Commander-in-Chief, it should, in every instance, bear the signature or countersignature of the General Officer commanding the expedition.

Order—
