From C. MITFORD SMITH, Esq., Executive Engineer in charge I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 14th March 1890, No. 2903 G. D.

I have the honor to inform you that the lay trustee of the church at Dowlaishweram has requested the Executive Engineer, Godávari Eastern Division, to allow him, free of rent, one of the empty bungalows situated at the back of the workshops as a school for the Eurasian children connected with the church.

2. The Executive Engineer reports that there are about 15 children in the school, all or nearly all of these are connected with the Public Works offices at that place, the buildings are empty, and they are likely to remain so.

3. I have therefore the honor to recommend that the use of the building for the school be sanctioned free of rent as a special case provided that the lay trustee agrees to vacate the building at a month's notice.
