Your office note No.1589 C.dated 24th. March 1890.

I do not think that any principle is departed from. The only principle involved seems to be the principle laid down in code para 1560 that the Examiner should give a monthly clearance, which clearance should obviously be only such as he can truthfully give; and if Government is satisfied that the clearance in the modified form is all that the Examiner is really in a position to give, I should think Government might sanction the change.
