MR. H. W. BLISS.

Read—the following letter from the Collector of Ganjam, dated 9th September 1890, No. 5981 :—

I have the honor to report that the building occupied as an office by the Town Sub-Magistrate, Berhampore, which has never been a suitable one, is now in a dangerous condition, part of it hitherto used as lock-up being absolutely unsafe.

2. The position of the present office, moreover, is unsuitable, and a much more convenient site is available near the Municipal office.

3. I beg to submit, herewith, an estimate for Rs. 8,470 prepared by the Executive Engineer, Ganjam division, for the construction of a new building on the standard plan (together with plan) and request that the Board will be pleased to obtain the sanction of Government to the estimate and an allotment of funds, so that the work may be executed with as little delay as possible.

Submitted for the orders of Government.

2. With the foregoing letter the Collector of Ganjam forwards a plan and estimate for Rs. 8,470 for the construction of a new office for the Sub-Magistrate of Berhampore. He reports that the building now in use is in a dangerous condition, the lock-up being absolutely unsafe. The Board accordingly recommends that a new office may be sanctioned.

3. But with reference to Board's Proceedings, dated 22nd September 1890; No. 6081, Mis., the Board would request that, for the present, sanction be only accorded for the collection of materials pending the proposed amendment of the standard design for the offices of Deputy Tahsildars.

4. In the meantime, if the building is in a dangerous state, the Collector is requested to consider whether he cannot rent some building which can be used as a temporary office.
