No. 148672

From Lt Col: Aclutte. re
The Superintending Engineer,

6th Circle.

To

The Chief Engineer
S.P.M.

Sir,

ENCLOSURES.

I was under the impression that Mr J. W. Martin, Executive Engineer, Tanjore Division, was invested with the increased powers under G. O. No 3198-M of 11th November/89; but from a letter No. 4307 dated 20th instt received from that officer, it would appear that he is not aware of any previous Government order investing him with such powers.

2. I have therefore the honor to—
recommend that the increased

powers be granted to Mr. Martin.

3. I take also this opportunity to recommend that the increased powers of sanction against the Contingencies of an Estimate, under G. O. No. 1367 W of 16th May/90 be granted to:—

Mr J. W. Martin, Ex: Engineer,
1st grade.

Mr W. Hughes, Ex: Engineer,
1st grade.

Mr C. H. J. Vorfor, Ex: Engineer,
2nd grade.

I have the honor to be

Sir
Your most obed^t. Servant

Albion L. Col. R.E.
