READ—the following paper :—

From Lieut.-Colonel A. C. SMITH, R.E., Superintending Engineer, VI Circle,
to the Chief Engineer, Public Works Department, dated Trichinopoly, 15th
October 1890, No. 807 T.C.

With reference to G.O. No. 2239 W. of the 18th August 1890, granting funds
for the removal of the Chucklers' parcharry near the Pioneer lines at Trichinopoly,
I have the honor to submit, for the approval of Government and publication, the
accompanying draft notifications for the acquisition of the present and proposed sites
of the said parcharry.

2. The Collector, in a letter dated 8th October 1890, No. 100/12, sent to the
Executive Engineer, the above notifications with a request that, as this department is
carrying out the work, the latter should submit them to Government for approval and
publication in the *Fort St. George Gazette*.

3. The necessary steps for acquiring lands required for public works are
generally taken by the Revenue Department on the requisition of this department, and
draft notifications are submitted by that department, but in the present case the
course adopted is different. I have, however, with a view to save delay, complied
with the request of the Collector.

4. Copies of the notifications have been sent by me to the Station Staff Officer
for his information.

ORDER—dated 11th November 1890, No. 2990 W., Public Works.

Ordered that the notifications, as amended, be published in the *Fort St. George

From the S.E. Circle S.E. No. 807 S.C. of 15 Oct. 90.

Under Standing Order

I think para 2 has
been omitted. On
coming into the force
of the Standing Order

Military Dept.

2 notifications to be sent to Govt.

to 11 requires a dipin
tion & order was given
in the New Dy. calling
attention to the defects in
it. Para 2 has nothing
to do with the submission
of notifications under the
Act but relates to the
preparation of the returns
of the 2 acquisitions
which shall precede any
action for acquiring the
land. The paragraph is
misleading as it stands
& not in accordance
with the old orders on
which it is based.
