I was surprised to find that the new temporary sheds are proposed to be built on a most unsuitable site in the whole grounds. They will spoil 4 or 5 different wards which now exist and besides that they will be in a bad place for themselves.

The proper and only place is against the wall near the Railway. I attribute too importance whatever to that proximity to the Railroad. There is now a ward quite as near. Let me have a report that these directions are carried out.

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Fort St. George, *6th November* 189*2*.

No. *C*
60

From

THE SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

FORT ST. GEORGE,

To

THE

Chief Secretary to Government
Public Department

SIR,

I have the honor to forward the copy of the minute of His Excellency the Governor animadverting on the site selected for the temporary sheds to be constructed in the compound of the Leprosy Hospital.

2- The site proposed was only determined upon as the building is to be constructed with a leaf roof, and from fear lest sparks from the railway might set fire to this building if situated on the site selected by Lord Conmemara.

3- I wish to record that in my opinion the site His Excellency has fixed upon is in every way the best. It is the one I approved of on sanitary grounds but for the danger likely to be incurred as above mentioned I would have proposed that site.

4- In the interests of the institution - in the interests

2905
4

interests of the poor maimed leper patients who would in case of fire be subjected to great risk of injury, and in the interests also of Government I trust that His Excellency will be pleased to approve of the sheds being constructed of ^{stronger} materials with tiled roof.

5- So much interest is now taken for the well-being of persons afflicted with leprosy that a permanent structure commends itself, as such addition to the hospital buildings is sure to be occupied permanently.

I have therefore to request that the orders of Government may be conveyed to the Public Works Department.

I have the honor to be

Sir

Your most obedt servant

J. Y. S. S. S.
Surgeon General
with the Govt of Madras
