From J. W. MARTIN, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Pakkilanka, 7th September 1890, No. 1214 G.D.

With reference to your memorandum No. 3317 C., dated 7th August 1890, I have the honor to submit herewith a revised proposition statement for the office establishment required for the combined Godávari Western division, and to request that you will be so good as to obtain the sanction of Government to the same. The statement has been prepared according to the instructions contained in the memorandum under reference.

2. The proposed scale of office establishment, as shown in the present statement, includes two more clerks (temporary) than the establishment shown in the previous statement.

2. Regarding the two temporary clerks, the Executive Engineer, in his letter No. 265, dated 30th ultimo, copy of which is enclosed, reports that these men are absolutely necessary to prevent the office work getting into arrears. You will notice in the last paragraph of his letter the Executive Engineer reports that the present establishment works very hard, keep no holidays, and that Sunday is quite as busy as any other day. Under these circumstances I see no alternative but to recommend that the two temporary clerks applied for should be sanctioned.

The Superintending Engineer
1st. Circle.

Sir,
Sir;

With reference to the Chief Engineer's Memo No. 3317 C d/7-8-90, I have the honor to forward herewith a fresh proposition statement showing the Office Establishment, found necessary by actual working for the last 5 months for the new combined Division, (please see para 2 of your No. 2433 G.D. d/8-1-90)-

2. Before the amalgamation of the Godavari Central Dn, there were 5 permanent and 2 temporary, total 7, clerks in the original Godavari Western Dn-

3. I applied for 4 clerks in addition to the above, to do the additional work due to amalgamation- But in your No. 330 G.D d/21-5-90, you have only given 3 making the total number of clerks 10. This copes exactly with the strength of the Eastern Dn

4. In order to enable you to judge the amount of work performed in the Godavari Eastern Dn & this new

combined Division, the accompanying comparative statement. From this, I think you will see at once that this Division has to do more work than that of the Godavari Eastern Dn & that the additional establishment now applied for is absolutely necessary for keeping the work upto date.

5. Under these foregoing circumstances, I have the honor to request you will be so good as to reconsider Para 1 of your endorsement No 769 G.D. dated 18-7-90, & apply to Government for extending the date of submission of my accounts from 20th to 25th of the month as is the case with the Eastern Dn, & at the same time permit me to entertain at once the 2 temporary clerks, one on Rs 20 & another on Rs 14 in anticipation of sanction as the Office is getting more into arrears every month.

6. I can only say that the Establishment work from morning to night every day, we keep no holidays, & Sunday is quite as busy a day as any other day; I cannot make the days longer; the only other alte ative therefore seems to be additional Establishment.

I have &c &c
