From the Executive Engineer, Kaira Eastern Dn. to the Supdt. Engineer, II Circle, No 3536 dy 24th October 1890.

I have the honor to bring to your notice that there is a mass of very ancient records in my office which are now either useless from their age or state of preservation, or state of confusion, and that it is very advisable to have them sorted and the useless documents destroyed.

2. The records I refer to very nearly fill up one of the rooms of my new office, and if you could spare the time to inspect them, you will probably concur in my proposal to appoint a clerk temporarily to sort and make lists.

3. I have the honor to request that you will if you approve obtain sanction for a temporary clerk on Rs 15-0-0 per month for three (3) months.
