From

Col W. H. Burton, R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To

THE Chief Engineer
P.W. Department.

SIR,

Enclosures.

With reference to your Memo No. 516 dated 23rd July 1890, I have the honor to report that all the papers supposed to have been missing have been found.

Mr. De Winton did not confirm Smith's award. He thought that the reasons given for making it were untenable - and that he fully agreed & agrees with Mr. Ottensmeyer's reports on the case.

The delay in payment of the Rs. 2,500 made on the 6th December 1889 arose from the late Contractor (he died on the 31st July 1890) persistently refusing to sign the final Bill and accept payment in settlement of all demands for the Mr. De Winton's letter No. 144 dated 27th October 1890 enclosed.

I have had up in front of me on 7th November 1890 the 3 principals

principal members of Samarapury's
family - the son one declared by
Presiduary Magistrate on 3^d Novemb.
1890. to be the true heir and
effected a compromise based

Mr Ottmann's Bill. March 1889	135-14-3
Balance unpaid	
Half difference between Mr Ottmann & Miller	168-4-5
Add interest 12 per cent per annum between March December 1889 on Rs 2500	200-0-0
Add interest on Rs 300 from March 1889 to November 1889	57-0-0
Total Rs.	561-2-8

which sum I have caused them
to accept in full of all demands
provided it be paid on or before
the 19th November 1890; I request that
the Consulting Architect may be
authorized to pay the sum.

I have the honor to be
