GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 1st December 1890, No. 1726 G.D.

I have the honor to submit herewith a statement for revision of establishment in the Government Workshops, Dowlaishweram, and to request that you will be so good as to obtain the sanction of Government for the same.

2. The pay of the two maistries on Rs. 45 each is now proposed to be reduced to Rs. 30 each, as this rate of salary is considered sufficient; the present incumbents of these posts are now drawing one Rs. 30 and the other Rs. 25 per mensem.

3. The maistry who is recommended to an increase of salary of Rs. 5 (viz., from Rs. 45 to Rs. 50) is named C. Andiah, and he has been, since the abolition of the post of smiths' shops maistry, * in charge of both the smiths' and fitters' shops.

* *Vide* G.O., No. 392 W., dated 12th February 1889.

He is a man of long standing in the department, and his duties are of a more arduous nature than that of an ordinary maistry. He was strongly recommended for promotion by Major Rawson, R.E., Executive Engineer, while he was in charge of the workshops in 1884.

4. After the workshops were made a regular sub-division of the Godáviri Eastern division, and the special accountant's services were dispensed with as per G.O., No. 2671 W., dated the 24th September 1889, the account work of the shops, which is very heavy when compared with an ordinary sub-division, has devolved on G. Venkiah, clerk, 4th class, 2nd grade, who is reported to have been discharging his duties very satisfactorily, and it is now proposed to promote him to the clerk's post, 4th class, 1st grade; this proposal, if sanctioned, will give him an immediate increase of salary of Rs. 4 per month, as he is now drawing Rs. 36 per mensem.

5. Apart from the saving effected by the transfer of Sergeant Joyce to Bezvada Workshops, there will still be a saving of Rs. 15 if the present proposal meet with your approval.
