Superintending Engineer's Office,
3RD CIRCLE
Bellary 10 November 1890.

FROM Col. H. L. Lally R.R. 25
THE SUPERINTENDING ENGINEER,
IIIrd CIRCLE.

To THE Chief Engineer
P. W. Dept.
Madras

SIR,

Enclosures. I have the honor to request
you will be good enough to sanction
the pay of 2 temporary clerks and
each being furnished for the month of
September 1890 in the Survey Division
under the following circumstances.

2. Soon after assuming charge of
the division Mr. Lammie reported to
me that bills for the pay of these two
clerks were brought to him to pass and
charge to works, as seems to have been
the practice of his predecessor Mr.
Russell from time to time when there
was a press of work in his office. Mr.
Lammie very properly refused to
charge these clerks to works and funding

orders charged them to miscellaneous
advances.

3. Any orders were to dispense
into the services of these unauthorised
clerks at once and if absolutely
necessary to submit a proposition
statement for extra clerical assistance
in his office. Mr Larmine, however,
only asks for sanction to the enter-
tainment of the temporary extra
clerks to cover the Rs 50 now outstanding
under miscellaneous advances.

4. Previous charges to works for
these clerks having been already
audited must be allowed to stand.

I have the honour to be
