Presidency Port office

Madras, 28th November, 1890.

From

The Presidency Port officer
Madras.

To

The Collector of Vizagapatam.

Sir,

In reply to your letter No 3525 dated
3rd November 1890, I have the honour to acquaint
you that the only plans connected with the port
of Vizagapatam, on record in this office are,
those specified below, which I forward herewith,
namely. —

1 Plan of the Mouth of the Vizagapatam river
(without date — probably the Executive Engineer —
Vizagapatam will be able to say when this plan
was prepared and the soundings noted thereon
were taken).

1 Survey of Port of the Vizagapatam beach

May 1884.

C.A.P.

The plans are likely
to have been forwarded with
the letter requesting all
the necessary and direct steps
to inspect the Vizagapatam
harbour. The letter is dated 23rd Feb 1884
No. 505 W. If required, these
will be obtained from the
General Records.

1 Plan of Sections showing results of borings May 1884.

1 Hydrographic Survey of Vizagapatam Harbour and Roadstead, August 1883.

1 Plan of cross sections of Backwater, August 1883.

2. I also forward a Trigonometrical Survey plan of the seaport and backwater, dated 1871 which is the only one available in the Chief Engineer's office, the other plans on record in that office having been forwarded to Sir G. Molesworth in February 1882.

3. Please return these plans when no longer required.

From

W. A. WILLOCK Esq^r.

Collector

Vizagapatam District.

To

The Honorable J. J. Price,

Chief SECRETARY TO GOVERNMENT,

Marine DEPARTMENT.

MADRAS.

SIR,

I have the honor to enclose a copy of a letter from the Presidency Port Officer forwarding to me some old plans of the Vizagapatam backwater and request, with reference to para 2, that steps may be taken to obtain the return of those forwarded to Sir G. Molesworth in 1882.

2. I am endeavouring to obtain all available information about the port in view to the future requirements of the East Coast Railway and the possibility of improving it to meet those needs, and any old plans containing soundings may be of immense value, particularly in connection with the effect which the reclamation of the swamp has had on the bar.

I.

I have the honor to be

Sir,

I am directed to
state that the plans
as per annexed list
appear from the register
of this office, to have
been handed to Sir
H. Underwood on the
22nd February, appa-
rently in connection
with the matter referred
to in para 4 of your
letter of 505 W
of 23rd February.

2. The Collector of

view to the future re-
quirements of the East
Coast Railway, and the
possibility of improving
the port to meet those needs,
and as any old plans
containing soundings may
be of immense value,
he asks what steps may
be taken to obtain the
return of those provided
to Sir J. Anderson in
1872.

3. I am therefore to
report that if the plans
in question could be
traced in the office
of the Consulting Eng^r
for State Railways,
instructions may be
issued for their early
return to this office.
