From

Henry Irwin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department
Madras

Sir,

Enclosures.

With reference to L.O. No 3239 of 6th instant para. 2, I have the honor to report that the height of the tower and number of rooms in it were designed chiefly to secure a handsome feature in the group of buildings and I think it would injure the design to reduce the height. Though the number of rooms are not absolutely necessary for the residence. Such of them as are not required for that purpose can be utilized as office and record rooms for which there is no other provision in the building.

In carrying out the work I shall rearrange the floors in such a way as to make the tower as useful as possible.

I have the honor to be, Sir,
Your most obedient servant

Henry Irwin
Consulting Architect to Govt.

Public Works Department.
