Referring to para 2 of your letter
No. 1876 to the address of the Engineer, —
28.10.90
Communicated to me with your endorsement
No. 1877 D.S. of 28.10.90 in which you remark
that the services of a 2nd clerk are not considered
necessary as the legitimate duties of the
Cashier are not sufficient to occupy his whole
time, I have the honor to observe that the
Cashier has now ample work, and
hereafter have more work than he will
be able to get through.

2. In fact, even at present, far from
the Cashier giving any assistance in my
office, it is found necessary frequently
to detail an office clerk to carry out certain
of the legitimate duties of the Cashier while
he is out making payments. Its for
instance, the writing up of the register of
Cheques drawn but not paid away, the
examination of ⁽²⁾vouchers and signatures
to the same, of payees who receive payment
at the Division Office during the Cashier's
absence &c.

3. Such time as is spent by the Cashier
