

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following letter from H. A. STUART, Esq., C.S., Superintendent of Census Operations, Madras, to the Secretary to Government, Revenue Department, dated Calicut, 8th December 1890, No. 531-A:—

With reference to G.O., dated 25th November 1890, No. 959, I venture to respectfully request that the Government will be pleased to modify their decision that the 16 clerks of the Army Head-quarter offices are not to be assigned any work in connection with the preliminary census.

2. I have from the first deprecated the employment of different men for the preliminary and final records, as such a course of procedure will, in my opinion, seriously endanger the accuracy of the census owing to the men who do the final enumeration being ignorant alike of their blocks and of their duties.

3. If, however, the Government adheres to its decision in the matter, I have the honor to request that all men who are employed only for the final census may be relieved of their ordinary office duties on the 25th February 1891, as well as on the 26th and 27th, in order to give time for their being shown round their blocks and instructed in the task of filling up the schedule. I understand from the Census Commissioner that in other parts of India all public servants to whom census work has been entrusted are exempted from attendance at office on these three days, and perhaps the best and simplest course would be to grant the same exemption in this Presidency.

ORDER—dated 15th December 1890, No. 1016, Revenue.

Census, No. 57.

The suggestion of the Superintendent of Census Operations in the first part of paragraph 3 of the letter read above is approved and sanctioned.
