Letter from the Head Quarter Sub
Division Officer, to the Executive Engineer,
Kistna Eastern Division, N^o 284 dated
22nd November 1890. 64

In forwarding herewith Mr. Joyce's
N^o 325 for information together with 2
20.11.90 piecework agreements for the supply of bricks,
I have the honor to state that the piecework
would not sign the agreements unless
we undertook to give them a permanent
advance of Rs 100 each. Permanent
so long as we require them to make bricks
for us to enable them to purchase ^{the} fire-
wood which is getting more expensive
daily.

2. Knowing our present difficulties
^{as you do} which appear to grow larger in prospect,
I request your careful consideration
of the advisability of going up to the S. E.
at once about the subject of making
advances. On all sides, we are met
with the same request and whilst the
Railway Contractors are openly giving
advances and consequently are
commanding the market, we are far
in the lurch owing to the fact that we
are by the rules of the Department

forbidden to make advances. It is obvious that if we are to carry on our works as usual, that we also must bid for labour.

Should you, therefore, approve the agreements you will obtain sanction to make the advances.

Letter from the Executive Engineer,
Eastern Division, District to the
Superintending Engineer II Circle No. 4064
dated 30 November 1890. 64

I have the honor to forward
herewith letter No. 284 of 22-11-90 from the
Head Quarter Sub-Division Officer, which please
return, for your perusal.

2. Under the circumstances therein explained
I have the honor to request that you will
approve of an advance of Rs 100 to each
of two individuals on account of the bricks,

3. The bricks are ^{urgently} required
for the More and Ryas Canal bridges
and the Museum etc, and the results of
not getting or even any delay in getting
them will be serious. I have, therefore, in
this case of urgency ^{to request} that you will grant
your early sanction to the advances
being made.

4. They will be recovered by the piecework
in their last bill in payment for
material supplied.
