Nand Singh draftsman is to my
knowledge a very good draftsman as I
have seen the work he has done on
drawings for the Town Hall Simla -
I can recommend him as a smart
intelligent and good draftsman - He
is more rapid than the generality of
native draftsmen and he understands

that he draws -

Superintendent Works
Imperial Canal

Nand Singh served me as draftsman
for nearly three years, during most
of which time he was employed on the
drawings of the Municipal Town
Hall - He is a neat draftsman and
understands his work well - I part
with him as the Town Hall Works
are nearly completed.

a fair draftsman, though not
perhaps so ready a designer as some

With reference to his No 29084
dated 11 November 1890, I have the honor to
state one of the three temporary appointments
will be given to the draftsman referred to in
your Memo No 5183-C dated 12 December
1890 on a salary of Rs 50/- per mensem
which he now draws. I request that I may
be permitted to get one ~~other~~ man from Simla
on a salary of Rs 150 and to get a man else
where on Rs 60 or within it. If the Government
are pleased to sanction these salaries instead
of those already sanctioned I will give the
highest salary to Rand Singh whom I know
to be a superior and experienced draftsman.
It will be seen from a copy of his testimonials
herewith

herin enclosed that he was once employed
under Major Cole on a salary of Rs 160
per mensem, he afterwards worked in my
office in Simla and I consider him to be
well worth the above salary.

Have the honor to be
