Military Works.

READ—the following paper:—

From Colonel ROSS THOMPSON, R.E., Executive Engineer, Trichinopoly Division, to the Superintending Engineer, VI Circle, dated 12th December 1890, No. 566 S.E.

I have the honor to inform you that there is an old disused bath-room, No. 13 E.A., in the return of military buildings at this station. It is in bad order, and at present it is merely a cover for nuisance. The building is some distance out to the east of the old Artillery barracks and is not required by the Military Department. I recommend, therefore, that it may be ordered to be demolished and materials sold in public auction.

No. 1082 T.C.

Copy submitted to the Chief Engineer, Public Works Department, for sanction to the demolition of the building.

2. The building stands in our return as No. 13 E.A. bath-room (cook-house) with a value of Rs. 370.
