DOWLAISHWERAM, 15th December 1890

Defy 18th

SIR,

I have the honor to state that the Executive Engineer Ganjam Division reports that he has arranged to place 1st Grade Overseer C. Ramanna Pantulu in charge of the construction of the Mahasinghy bridge, Udayagiri and Belliguda Post Offices, and requests permission to allow the Overseer a drawing account, on account of the remoteness of the places in question, and that he, the Executive Engineer, has arranged with the Collector to have funds placed at the Executive Engineer's credit, in the Udayagiri and Belliguda Sub treasuries.

2. The Executive Engineer's request appears reasonable, and I therefore beg to ask that you will be so good as to obtain sanction, allowing the Overseer to have drawing account, during the construction of the works referred to.

3. I have, in anticipation of sanction,
permitted the Executive Engineer to give
a drawing account to the Overseer.

I have the honor to be,

Sir,
Your most obedient servant

J. D. Wilson.
