PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following papers:—

Letter from the Inspector General of Jails dated 23^d October 1890 No. 340 forwarding for the consideration of Government copies of remarks recorded by himself and Colonel Paterson during their inspection tours in the official visitors book of the unfitness of the Ellore Sub jail for the purpose of a Sub jail.

Letter from the District Magistrate, Godavari dated 18 November 1890, No. 60

In reply to reference on letter to Government from the Inspector General of Jails No. 340 dated 23^d October 1890 herewith returned, I have the honor to report that the over crowded state of the Sub jail at Ellore attracted my attention in May '88 and after fruitlessly endeavoring to find suitable temporary accommodation, I requested the Superintending Engineer to prepare plans and estimates for a new Sub jail and Saluk Rutcherry on the Standard plan as both were much needed at Ellore. The plan and estimates were received by me at the end of July this year and submitted on the 13th August, sanction has been duly accorded in G.O.

October 1890 No. 810 Revenue. I can now only suggest as I did in the first instance that the sub jail and Police guard room be finished as rapidly as possible, and made available for occupation while the rest of the buildings are under construction.

Past experience shows that the present cells are insufficient for the accommodation of the prisoners at Ellore for about one fourth of the year. Prisoners under sentence can in such cases, be transferred to other jails but it is occasionally impossible to find accommodation for under trial prisoners when large numbers happen to be accused in the same case.

Order 20th December 1890 No. 2078

The District Magistrate's letter will be communicated to the Public Works Department.

The Government considers that until the new Sub jail is built it will be advisable to transfer to the Central jail at Rajahmundry all prisoners sentenced to terms of imprisonment in excess of 10 days.
