PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :—

From the Collector of Kistna Dated 3^d December
1890 N^o 8809

I have the honor to request that the Government will be pleased under Section 23, District Municipalities Act 1884, to exempt from the operation of the Municipal Act the public road that runs from the Canal bridge to the river along the river bank at Bezvada. It is about 300 yards long.

2. This road was not exempted from the Municipal Act when Bezvada became a Municipality and it consequently vests in the Council. It runs however along the river embankment between the river and the main Canal, and the Superintending Engineer considers that he should have entire control of it for the better protection of the Aicut and Canal.

channel works. It should therefore be reserved to Government by a special notification.

3. The Council asks for a refund of money spent last year in repairs if the road is to be excluded from Municipal Control. This is needless as the road belongs to the Council until excluded by notification. The Superintending Engineer asks that the annual cost of repairs may be handed over to him by the Council. This again cannot be equitably demanded when the road is exempted from the operation of the Municipal Act. The amount Rs 60 is trifling and can be met from the Amicut funds.

4. I enclose copies of the correspondence on the subject.

Order dated 5th January 1891 No 8 M. M. S.

The following notification will be published in the Fort Saint George and in the Kistna District Gazettes.

Notification

In exercise of the power conferred on him by Section 23 of Act IV of 1884, the Honorable the Governor

102
Governor in Council is pleased to exclude from the operation of the aforesaid Act, with effect from the date of this notification, the public road in Bezvada which runs from the land bridge to the river along the river bank a distance of about 300 yards.

2. The Government entirely agrees with the Collector in the remarks made by him in para 3 of his letter.
