PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:—

From the Officiating Registrar of the High Court of Judicature at Madras, Appellate Side No. 2713 dated 27th November 1890.

I am directed to address the Government on the subject of the transfer of the Arcampudi District Munsif's Court in the Arcot District.

2. The High Court has for some years had in contemplation the removal of this Court to a station on the railway as soon as the Bellary Arcot line should be opened and the District Judge has now made the definite proposal that the Court should be located at Karaikalpet, which is a station on that line. That such a change will greatly promote the public convenience the High Court has no doubt and the result of the District Judge's consultation with the Collector on the subject is to show that there is a general concurrence of opinion in favour of the new station selected. The High Court accordingly proposes to make the change.

Change suggested by the District Judge from
1st January next.

3. As for the provision of accommo-
- dation for the Court at Narasarpet, I
am to say that the Honorable the Judges consider
it desirable that a Court-house on the standard
plan should be built as soon as possible.
It has been suggested by the Collector that
the Old Taluk Office at Narasarpet,
which is shortly to be vacated for a new
building, should be taken for the District
Munsif's Court, but the District Judge states
that it is equally unsuitable for a District
Munsif's Court as for a Taluk Office, and in
this opinion, the Honorable the Judges, after
examination of a plan of the building
which the District Judge has forwarded
entirely concur. I am therefore to request
that the Government will be pleased to
have plans and estimates prepared and
to provide funds for a new Court-house
at an early date. The High Court would
be prepared to utilize the Government
buildings till such time as the new Court-
house may be ready.

4. In the mean while however,
till the Taluk Establishment is otherwise
provided for, it will be necessary for the
Munsif to occupy rented premises.
A house which can be made to serve the
purpose

104
purpose is to be had, the District Judge
reports, for a monthly rental of Rs 10.
The High Court considers it desirable to
take this building from the 1st January
next, and I am accordingly to request
that His Excellency the Governor in Council
may be pleased to sanction the payment
of the said monthly rental from that date.

5. The Court house at Harempudi
which is a Government building, may
be sold as soon as vacated by the
District Munsif. I am to request also
the sanction of the Government for
this course.

Order 5 January 1891 No 1

The proposal of the High Court
to construct a Court-house at Narasa-
-rampet is approved and the Public Works
Department will be requested to arrange for the
preparation of the necessary plans and
estimates.

2. The proposals to sell the ex-
isting Court-house at Harempudi and
to rent a building at Narasarpet for
Rs 10 per mensem will be considered in
the

the Public^{works} and Financial Departments res-
pectively.
