Civil Works.

READ—the following paper :—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishweram, 22nd December 1890, No. 426 V.Z.

I have the honor to bring to your notice that the practice hitherto obtaining in this circle as regards the disposal of buildings vacated by the Judicial or Revenue Departments is that the District Judge or Collector is communicated with and his opinion obtained.

2. Para. 980 of the Public Works Code says that the head of the department previously occupying the building should be communicated with. I beg to solicit your orders for my future guidance, whether the High Court and the Board of Revenue should be considered as the heads of the Judicial and Revenue Departments and the correspondence relative to the disposal of vacated buildings be addressed to them for the future.

3. A case has arisen in the Vizagapatam district which necessitates this reference.

ORDER—dated 12th January 1891, No. 107 W., Public Works.

The Government considers that the inquiries prescribed in para. 980, Public Works Code, should be addressed by the Superintending Engineer to the local civil officers concerned, leaving it to the latter to refer the matter to the heads of their departments if necessary.
