Remarks.

The articles were required for boat construction. It being urgently necessary to proceed with the work, tenders were sent to the P. N. Stores Madras. Material not being available locally, there in stock, they were purchased locally, and the General Superintendent now asks that sanction of Government be obtained. The purchases were, admittedly, resulting in economy.

N.B. These articles were purchased, being necessary under para 1 clause 2 of G.O. No. 1679 N dt 2-7-86.
