Copy of a communication from the Superintendent of Post Office
Nellor Division to the Postmaster General, Madras.
dated 2nd March 1891, No. 1164.

With reference to your No. $\frac{C1272}{4780}$
dated 14-2-91, I beg to report that I visited the old
Taluk Cutcherry at Trillampat on 10th
February 91 and found it too large and
unnecessary for a Branch office. The building
has a large hall partitioned in the middle
with a verandah all around and a small
room. The building having been vacated some
months ago was left to ruins, and some of
the doors and windows are wanting. The
flooring is entirely out of order, and the
roof is leaking and in damaged state.
The Branch Postmaster is afraid to hold his
office and live in the building. Since the
removal of the Taluk Cutcherry to Rajam-
pet, several adjoining houses have been
pulled down and merchants are leaving
the place and many houses having become
vacant, one is offered for the Post office even
for

for a reduced rent of one rupee. In course of a few years Pullampet will be a petty village and the office will be in charge of an Extra Departmental Agent.

2. When the Executive Engineer Cuddapah offered the building, the Inspector applied for a portion of the building; but now it is found that the roof being so constructed that a portion could not be pulled down allowing the other to stand. Under these circumstances I beg that the building which is not fit to be occupied at present may be returned as unnecessary for a petty Branch office. I shall submit a Tabular Statement for reducing the Pullampet house rent from Rs 3 to 1.

OFFICE OF THE POSTMASTER GENERAL,

MADRAS CIRCLE.

Madras dated 8/4/1891.

From

C. A. STUART, Esq.,

OFFG. POSTMASTER GENERAL, MADRAS,

To

The Chief Engineer

Public Works Department

SIR,

Madras.

With reference to G.O. No. 2837 dated 27 October '90, transferring a portion of the old taluq Cutcherry at Pullampet to this Department, I have the honor to forward herewith copy of a report No. 1164 dated 2 March '91 from the Superintendent of Post Offices, Bellare Division, from which it will be seen that the Cutcherry building in question is not in its present state fit for occupation by the Post Office. In order to make it suitable

for the purpose, it has been ascertained that an expenditure of not less than Rs 600/- would be necessary, according to the estimate furnished by the Executive Engineer, Cuddapah Division. The Post Office at Pullampet is a small Branch Office, and it is therefore considered not worthwhile to incur such a large outlay. Further we have now been able to secure a suitable building for the Post Office for a reduced rent of one rupee; the rent formerly paid being Rs 3/-.

2. Under these circumstances, I have no alternative but to

return

11/10/3
return the building to Government
which I hereby do with thanks.

I have the honor to be
Sir,

Your most obedient servant.
