SUPERINTENDING ENGINEER'S OFFICE,
V Circle, Madras,
Chepak, 13 April 1891.

From Major D. McNeil Campbell R.E.

SUPERINTENDING ENGINEER, V CIRCLE,

To THE Chief Engineer
P. W. Duffett

SIR,

Enclosures.

An overpayment of Rs. 345 was made in March 1889 to Contractor Ramaswamy Aiyangar for work executed on the 54" side of the Coleroon bank. Estimate Rs. 14,000. The overpayment was made thro' a mistake committed by Supervisor Raja Gopala Aiyangar in the bill for the work. The bill was checked by the Sub. Divisional Officer Mr. Denny before payment was made.

2. The Superintendent at the Lower Arcot when engaged with the measurement books in settling a question

of Compensation for earth in connection with this work - discovered the overpayment on the 3 June 1890. but thro' some delay in the report of this matter reaching the Executive Engineer, the final payment for the work had been made and the deposit had been refunded when the report reached that officer.

3. It was hoped that the Contractor would undertake other work and that the overpayment might be recovered from his bills but he has not tendered for any work since then. He has been called upon repeatedly to return the amount paid to him in excess but he appears to have no intention of doing so. He states that if the rate for jungle clearance is increased in his case as was done in the case of other Contractors who worked on the Coleroon bank, he would come to a settlement in the matter. He has however signed the final bill

1118/2
for all work he executed in full settlement of all demands, and it is not necessary now to reconsider any question as to rates.

4. There is a sum of Rs 138-8-0 due to the Contractor for other works in deposit. I propose that this sum be credited to Govt in refund partly of the overpayment. The sum to be recovered from the Contractor would then be Rs 206-8-0. I have the honor to request that sanction may be given under Code para 405. to legal proceedings being instituted against the Contractor for the recovery of the amount.

I have the honor to be
Sir
