Resolution.—The revised and budget estimates of revenue and expenditure are accepted by the Government of India for the amounts shown in the accompanying statement.

2. The Government of India invites attention to the following remarks regarding the provision for establishment in the estimates of the ensuing year:—

Central Provinces and Burma.—Provision has been made for the full number of Engineers and no reduction made on account of absentees.

Punjab.—The provision for establishment in the Provincial Civil Works estimate represents 31 per cent. on the estimated outlay on works and repairs; this percentage appears undesirably high. The provision for temporary establishment also appears excessive.

3. The columns in the abstracts of revenue and expenditure in the several budget estimates should, in the final issue and in future budget estimates, be arranged in the order shown in Public Works Department form No. 126 (Part III of Form Book).

4. The final issues of the Provincial and Incorporated Local Public Works budget estimates should be prepared for the amounts accepted and despatched,* so as to reach the Government of India not later than the 1st May 1891.

* Ten copies to Simla and 25 to Calcutta.

Order.—Ordered that the foregoing be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agent to the Governor-General, Rajputana.

Ordered, also, that copies be forwarded to the Finance Department and to the ntant-General, Public Works Department, for information.

ORDER—dated 23rd April 1891, No. 1126 W., Public Works.

The revised and budget estimates of revenue under Incorporated Local funds for 1890-91 and 1891-92, respectively, as shown in the statement annexed to the Resolution of the Government of India above recorded, have been adopted in the final issue of the budget estimate for 1891-92.

2. The revised estimate of charges for 1890-91, as shown in the preliminary issue of the budget, amounted to Rs. 79,239, but the modifications of grants subsequently sanctioned increased the estimate to Rs. 84,881. As the Government of India has passed the estimate for Rs. 87,000, that sum has been adopted in the final budget, and the difference of Rs. 2,119 will be treated as the allotment for the bridge over Ryves' canal at Bezváda, for which the Financial Department was requested to place a sum of Rs. 4,980 at the disposal of the Public Works Department (*vide* G.O., No. 526 W., dated 23rd February 1891).

3. The budget estimate of charges for 1891-92 shown in the preliminary budget amounted to Rs. 88,685, but the modifications of grants referred to in G.O., No. 537 W., dated 24th February 1891, reduced the estimate to Rs. 84,755. The Government of India having passed the estimate for Rs. 85,000 in round figures, that sum has been provided in the final budget and the necessary increase has been made to the grant for the steam launch for the Rajahmundry ferry.

4. The revised estimate of charges for 1890-91 under Excluded Local funds shown in the preliminary budget amounted to Rs. 16,459, but the modifications of grants subsequently sanctioned reduced the estimate to Rs. 15,510.

G.O., No. 267 W., dated 28th January 1891.
„ „ 1119 W. „ 22nd April „

5. The budget estimate of charges for 1891-92 under Excluded Local funds, as shown in the preliminary budget, amounted to Rs. 4,570, but the additional grants sanctioned in the marginally-noted Proceedings increased the estimate to Rs. 22,780.

6. Plans and estimates for the unsanctioned works, for which funds have been provided in the budget, should be submitted with the least possible delay.

To Simla	10
„ Calcutta	25

7. With these remarks the final issue of the Incorporated and Excluded Local fund budget estimates for 1891-92 will be printed and circulated to the officers concerned for information and guidance and 35 copies, as shown in the margin, will be forwarded to the Government of India.

RESOLUTION.—The Revised and Budget Estimates of revenue and expenditure are accepted by the Government of India, for the amounts shown in the accompanying Statement.

2. The Government of India invites attention to the following remarks regarding the provision for establishment in the estimates of the ensuing year:—

Central Provinces and Burma.—Provision has been made for the full number of Engineers and no reduction made on account of absentees.

Punjab.—The provision for establishment in the Provincial Civil Works estimate represents 31 per cent. on the estimated outlay on works and repairs; this percentage appears undesirably high. The provision for temporary establishment also appears excessive.

3. The columns in the abstracts of revenue and expenditure in the several Budget Estimates should, in the final issue and in future Budget Estimates, be arranged in the order shown in Public Works Department Form No. 126, (Part III of Form Book).

4. The final issues of the Provincial and Incorporated Local Public Works Budget Estimates should be prepared for the amounts accepted, and despatched,* so as to reach the Government of India not later than the 1st May 1891.

* 10 copies to Simla and 25 to Calcutta.
