14TH JANUARY 1891, No. 112 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From G. D. WYBROW, Esq., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Dowlaishwaram, 22nd December 1890, No. 1894 G.D.

I have the honor to bring to your notice that, when a new Taluk Cutcherry was built about 17 years ago at Peddápúram in the Godávári Eastern division, the old cutcherry was vacated, and it has since then been in the occupation of the Local Fund Department. A Local Fund Girls' school is located in it. There are no records either in the Revenue or in this department to show under what orders it has been occupied by the Local Fund Department.

2. The building is not at present required either by this or other department. I would therefore beg to recommend that it should be handed over to the Local Fund Board rent-free, provided that the Local Fund Department keep the building in repair. A similar course was adopted with reference to the old Taluk Cutcheries at Tanuku and Viravásaram in this district.

ORDER—dated 14th January 1891, No. 112 W., Public Works.
