ORDER—dated 10th December 1890, No. 3193 L., Local and Municipal.

The statement received from the Public Works Department will be forwarded to the Accountant-General with the following remarks and with the request that he will make the necessary adjustments in the accounts, in communication with the Examiner of Public Works Accounts:—

(1) No contributions should be charged for the scrutiny of the estimates for erecting the S.P.G. school at Nandyál, in the Kurnool district, or for clearing out silt from, and re-building the southern wall of, the Shenian tank in Trichinopoly, as these are not Local Fund works.

(2) The contribution for the scrutiny of the estimate for re-metalling and gravelling the road from Bellary to Herihal, in the Bellary district, should have been calculated on Rs. 7,634, being the amount of the original estimate as submitted to the Superintending Engineer, and not on Rs. 7,657, the amount of the estimate as revised by him—*vide* No. 1 (a) of the rules sanctioned in G.O., dated 29th April 1889, No. 1137 W.

(3) The Presidents of the District Boards concerned are requested, with reference to Rule 36 of the Local Fund rules, to state the circumstances under which the estimates for the following works were sent to the Public Works Department for scrutiny:—

District.	Work.	Estimate.
		RS.

ABSTRACT.—Referring to the Presidents of the District Boards concerned, for verification and early report, statement showing the amount of estimates for Local Fund works scrutinized by the Public Works Department for the quarter ending 30th June 1890.

READ—also the following papers :—

From E. S. LAFFAN, Esq., Collector and President, District Board, Bellary, to the Chief Secretary to Government, dated Bellary, 25th August 1890, No. 1649.

With reference to G.O., dated 14th August 1890, Mis. No. 2032 L., I have the honor to state that the amount of the estimate for re-metalling and gravelling the road from Bellary to Herihal as submitted to Government with this office letter, No. 566, 8th March 1890, through the Superintending Engineer, is Rs. 7,634. This figure was apparently raised by him to Rs. 7,669, but the same reduced to Rs. 7,657—please *vide* this office letter, No. 566, dated 8th March 1890, read in G.O., dated 5th July 1890, Mis. No. 1654 L.

From G. W. FAWCETT, Esq., President, District Board, Trichinopoly, to the Chief Secretary to Government, dated Trichinopoly, 29th August 1890, No. 57.

With reference to G.O., Mis. No. 2032 L., dated the 14th instant, I have the honor to report that the estimate for only one of the works, Item No. 16, was scrutinized by the Public Works Department in the quarter. The other work belongs to the Trichinopoly Municipality—*vide* the Chairman's letters to Government, No. 25, dated 4th July 1890, and No. 29, dated 8th August 1890.

From W. DUMERGUE, Esq., President, District Board, Malabar, to the Chief Secretary to Government, dated Mannárgat, 19th September 1890, No. 1837.

With reference to G.O., dated 14th August 1890, Mis. No. 2032 L., I have the honor to state that the list of estimates therewith forwarded has been scrutinized and found to be correct. It is also noted that the estimate for constructing a hospital at Chávakád, which was not shown in the statement forwarded with G.O., dated 18th February 1890, Mis. No. 354 L., is included in the statement now received.

From C. KOUGH, Esq., President, District Board, Kurnool, to the Chief Secretary to Government, dated Kurnool, 20th November 1890, No. 86.
