Submitting letter in original from the Executive Engineer, North Arcot Dn. Requesting to be informed whether the sum of Rs. 143-6-10 being the value of — is to be paid by him

To W.

The claim made by the Superintendent of Stationery on account of articles supplied to the Kalahastry Zamindary Sub Division is probably due to a mistake. Apparently the Superintendent does not understand the circumstances under which the articles were obtained for the Kalahastry Sub Division. He is probably under the impression that they are supplied to the Estate and not to the P.W.D. Articles of stationery supplied to the P.W.D. are not charged for.

2. I would therefore suggest a reference being made to the Superintendent of Stationery explaining the circumstances of the case and asking why the charge is made.
