# PROCEEDINGS OF THE BOARD OF REVENUE
## (LAND REVENUE).

THE HON. J. GROSE.
MR. G. MCWATTERS.

READ—the following G.O., dated 11th December 1890, Mis. No. 7639, Revenue:—

*Read*—again G.O., dated 14th October 1890, Nos. 2618, 2919 L., Local and Municipal.

ABSTRACT.—Reviewing the report on vaccination for 1889-90.

*Order*—dated 11th December 1890, Mis. No. 7639, Revenue.

It appears from Statement No. XIII, embodied in the report on vaccination, that in most districts arrangements are in force for giving intimation of outbreaks of small-pox to the District Sanitary officers and to the Vaccination Department, but it is desirable that a uniform and definite method of reporting should be prescribed and enforced throughout the Presidency. The procedure recommended in paragraph 28 of the report seems suitable for the purpose and will be adopted in future. The Board of Revenue will be requested to make the necessary additions to Standing Order No. 154A.

(Signed) C. A. GALTON,
Secretary to Government.

To the Commissioners of Land Revenue.
„ Commissioner of Revenue Settlement, Land Records and Agriculture.
„ Public Department.

RESOLUTION—dated 17th March 1891, No. 177.

The following addition will be made to Standing Order No. 195 (revised edition):—

*Paragraph* 2.—When information is received of an outbreak of small-pox, the procedure prescribed in paragraph 1 should be followed and in addition notice of the outbreak should be despatched to the vaccinator of the circle. The Tahsildar or Deputy Tahsildar should also advise the village officers to make the necessary sanitary arrangements, applying to the Local Fund authorities of the area in cases in which expenditure of money is required.

*Paragraph* 3.—After the first report, a weekly report should be submitted in the form printed in the appendix so long as the epidemic lasts The same form should be adopted for the first report also, columns 5 and 6 being omitted.

(A true Copy and Extract.)
