Proceedings of the Government of Madras, Nos. 3398 and 3399 W., dated 20th Dec. 1890.
" " " " 372 and 373 W., " 10th Feb. 1891.
Telegrams, dated 5th and 6th March 1891, from the Government of Madras.

Resolution.—The revised and budget estimates of revenue and expenditure are accepted by the Government of India for the amounts shown in the accompanying statement.

2. The Government of India invites attention to the following remarks regarding the provision for establishment in the estimates of the ensuing year:—

Central Provinces and Burma.—Provision has been made for the full number of Engineers and no reduction made on account of absentees.

Punjab.—The provision for establishment in the Provincial Civil Works estimate represents 31 per cent. on the estimated outlay on works and repairs; this percentage appears undesirably high. The provision for temporary establishment also appears excessive.

3. The columns in the abstracts of revenue and expenditure in the several budget estimates should, in the final issue and in future budget estimates, be arranged in the order shown in Public Works Department form No. 126 (Part III of Form Book).

4. The final issues of the Provincial and Incorporated Local Public Works budget estimates should be prepared for the amounts accepted and despatched,* so as to reach the Government of India not later than the 1st May 1891.

* Ten copies to Simla and 25 to Calcutta.

Order.—Ordered that the foregoing be communicated to the Local Governments and Administrations noted in the margin for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agent to the Governor-General, Rajputana.

Ordered, also, that copies be forwarded to the Finance Department and to the Accountant-General, Public Works Department, for information.

ORDER—dated 30th April 1891, No. 1203 W., Public Works.

The revised and budget estimates of revenue and expenditure under Provincial Civil Works for 1890-91 and 1891-92, respectively, as shown in the statement appended to the Resolution of the Government of India above recorded, have been adopted in the final issue of the budget.

2. The revised estimate of charges for 1890-91, as shown in the preliminary budget, amounted to Rs. 28,72,805, but the modifications of grants subsequently sanctioned reduced the estimate to Rs. 26,50,000.

3. The budget estimate of charges for 1891-92 was fixed at Rs. 35,00,000 in the preliminary budget, but the additional grant of Rs. 23,000 sanctioned by the Financial Department for Civil Agency works in the Ganjam district increased the estimate to Rs. 35,23,000.

4. The grant of Rs. 2,120 provided in the preliminary budget for the construction of a police station at Allúr in the Nellore district has been withdrawn in the final issue with reference to G.O., No. 1033 W., dated 13th April 1891.

5. The grant for London supplies has been increased to Rs. 98,603 to cover the cost of indents submitted by the General Superintendent, Public Works Stores.

6. The allotment of Rs. 8,290 provided for the close prison cells in the Central Jail at Salem has been allowed to stand pending receipt of reply from the Judicial Department to para. 2 of G.O., No. 893 W., dated 30th March 1891.

7. The grants for items 81, 82, 83, 104, 105 and 106 have been retained pending a decision by the Revenue Department on the question referred to in endorsement No. 1883 C., dated 4th August 1891.

8. The amount reserved in the budget for incomplete works will, as usual, be distributed on receipt of detailed proposals from Superintending Engineers and the Consulting Architect.

9. The grants for minor works, repairs, and tools and plant have been distributed to divisions in parts II and IV of the budget. The statements of demands to be submitted by Superintending Engineers and the Consulting Architect with reference to para. 1322 of the Public Works Code should therefore be restricted to incomplete works of 1890-91 and to such new works as may be considered urgent.

10. Superintending Engineers and the Consulting Architect should submit, with the least possible delay, plans and estimates for the unsanctioned works for which funds have been provided in the budget.

11. With these remarks the final issue of the Provincial Civil Works budget for 1891-92 will be printed and circulated for the information and guidance of the officers of the department, and 35 copies, as shown in the margin, will be forwarded to the Government of India.

RESOLUTION.—The Revised and Budget Estimates of revenue and expenditure are accepted by the Government of India, for the amounts shown in the accompanying Statement.

2. The Government of India invites attention to the following remarks regarding the provision for establishment in the estimates of the ensuing year:—

Central Provinces and Burma.—Provision has been made for the full number of Engineers and no reduction made on account of absentees.

Punjab.—The provision for establishment in the Provincial Civil Works estimate represents 31 per cent. on the estimated outlay on works and repairs; this percentage appears undesirably high. The provision for temporary establishment also appears excessive.

3. The columns in the abstracts of revenue and expenditure in the several Budget Estimates should, in the final issue and in future Budget Estimates, be arranged in the order shown in Public Works Department Form No. 126, (Part III of Form Book).

4. The final issues of the Provincial and Incorporated Local Public Works Budget Estimates should be prepared for the amounts accepted, and despatched,* so as to reach the Government of India not later than the 1st May 1891.

* 10 copies to Simla and 25 to Calcutta.

ORDER.—Ordered, that the foregoing be communicated to the Local Governments and Administrations, noted in the margin, for information and guidance.

The Governments of Madras, Bombay, Bengal, the North-Western Provinces and Oudh, and the Punjab.
The Chief Commissioners of the Central Provinces, Burma, Assam and Coorg.
The Agent to the Governor General, Rajputana.

Ordered also, that copies be forwarded to the Finance Department and to the Accountant General, Public Works Department, for information.

Lieut.-Col., R.E.,
for Depy. Secy. to the Govt. of India.
