EXAMINER, P. W. ACCOUNTS.

dated

Madras, 22 April 1891.

OFFICE NOTE No. 2370.

To

W.

I find that the audit of the accounts of tools and plant, transactions is made unnecessarily difficult owing to the absence of any general rule requiring the submission (along with the issue statements) of the acknowledgment given by the division or person to whom the articles are issued or transferred; and the result is unnecessary correspondence with divisions.

2. In the case of sales by auction the "account sales" is a satisfactory voucher; and in the case of transfers to the Superintendent of Stationary or to the P.W. Stores under Code para 1872, the code (Same rule) provides for the receipt being sent to audit; but there is no similar provision in respect of sales on credit, and transfers to other P.W. Divisions and I should be glad if you would obtain the approval of Government to the introduction of a rule to the effect that in all cases of issues of articles of tools & plant the

statement of tools and plant received
and issued(form No.M.49 B), should be
supported by the acknowledgments of
receiving divisions or departments for
articles issued to them and that in the
case of sales on credit under para 1722A
the receipts obtained under that para
should be similarly submitted.
