Beniguntah, 13th April 1891.

Sir,

I have the honor to request you will be good enough to obtain the sanction of Government to an advance of pay of Rupees fifty only as a special case under the following circumstances:-

2. The pay bill of this Sub Division for February was sent in on 13th March to Executive Engineer, North Arcot Division with request to forward it to the Examiner as a Supplementary Salary Bill. This he did not do although asked a 2nd time about it on 21st March but he included it with March's Salary Bill. The result is that pay for neither February nor March is yet to hand causing the greater inconvenience to us all.

3. But as regards the present advance, the collector, North Arcot, has just wired to me to meet him at Porkur to-morrow 14th instant. To do this I must leave here to-night and in this out of the way place I cannot get money up from Madras even by wire in time nor can I get a cheque cashed, while (daily expecting at least February's pay) I have run short of cash. As I must meet the collector at once or miss him altogether, I am taking the advance or $\frac{1}{2}$ of the advance asked for i.e. Rs 25 in anticipation of sanction.

I have &c,
(sd) C. J. Knight Watson,
Executive Engineer.

Copy - Forwarded to the Chief Engineer P.W. Department, with a request that he will be good enough to obtain the sanction of Government to the advance Rs 50 to Mr. Watson as a special case. The reason of the collector's calling Mr. Watson from the scheme N. 4. The scheme S. W. part of the District is not apparent.
