28TH APRIL 1891, No. 378, REVENUE.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following G.O., dated 24th March 1891, No. 209, Financial:—

Read—the following letter from the Secretary to the Government of India, Finance and Commerce Department, Calcutta, dated 14th March 1891, No. 1082:—

I am directed to acknowledge the receipt of your telegram of the 2nd instant, No. 113, stating that the Government of Madras will require next year a sum of 4 lakhs of rupees for advance to the Kálahasti Zemindar under the Land Improvement Loans Act, and another of 2 lakhs for a loan to the Tanjore District Board for the completion of the Májavaram-Mutupet Railway.

2. In reply, I am to state that the allotments for local loans next year have been fixed subject to possible reduction when the ways and means estimate is finally made. All the demands of the Government of Madras, as intimated in your letter of 8th January last, No. 14, Financial, have been provisionally allowed with the exception of Rs. 5,000 for a marketplace. The allotment for local loans in the Madras Presidency has thus been provisionally fixed at a net sum of Rs. 7,43,000, and I am to say that it will not be possible to increase this allotment. Moreover I am to observe that under no circumstances could the Government of India agree to a loan of 4 lakhs to one zemindar without a full explanation of the facts of the case, and that loans for railways are not permissible under the local loans scheme.

Order—dated 24th March 1891, No. 209, Financial.

Communicated to the Revenue, the Local and Municipal, and the Public Works Departments.

2. The loan of Rs. (5,000) five thousand for the marketplace in Májavaram has already been sanctioned in G.O., No. 180, dated 11th March 1891, Financial; as it is understood that the work is not merely an ornamental one, the facts relating to the loan should be explained to the Government of India by the Local and Municipal Department.

3. A similar letter will be despatched from the Revenue Department furnishing full particulars regarding the loan to the Kálahasti Zemindar and referring the opinion of the Advocate-General for the consideration of the Government of India.

4. As the entire outlay on the Májavaram-Mutupet Railway will be recorded in the first instance in the Provincial Public Works Accounts, and the necessary adjustments can be effected by postponing recoveries, the question of lending 2 lakhs to the District Board will for the present be dropped.
