TO

THE CHIEF SECRETARY TO
HIS EXCELLENCY THE GOVERNOR IN COUNCIL,
OOTACAMUND.

*The humble Memorial of AGA MIRZA ALI
NACKHY TAJAR KIRMANY, Madras.*

RESPECTFULLY SHEWETH,

Memorialist humbly begs to bring the following few lines for your honor's benign consideration with full hope of pardon.

2. That Memorialist's forefathers, Persian Merchants, came to Masulipatam, established their factories of Chintz Manufacture and carried on their trade extensively in Southern India, and thus made Masulipatam a town of great importance; and it is noted up to this day as a place of Chintz Manufacture.

3. They built great factories, large houses at Ingadoor Masulipatam and obtained honors and respects by the authorities being loyal to the Government.

4. The Cyclone of 1864 caused great loss to their factories both in cash, and merchandise and houses, with this blow though they were reduced a great deal, yet maintained their respect and dignity by renewing their trade and re-building factories, &c.

5. Since the introduction of Manchester Chintz Cloth into India their trade is reduced to the lowest ebb owing to the difference of prices; consequently they were obliged to put a stop to their trade at Masulipatam, and left the place in search of their livelihood, being unable to maintain their respect and honor.

6. Memorialist was also obliged to come and settle at Madras. He is the grandson of Hajee Mahady Kirmany who was granted the title of Malatathujar, (King of Merchants) by the Persian Monarch and also great grandson of Hajee Ali Kirmany who was the first Mogul merchant that came and settled at Masulipatam.

7. Memorialist has a large house at Ingadoor Masulipatam with a garden attached to it and his income in now a days is not adequate to keep the house under his possession and in proper repair, consequently it is now in a dilapidated condition. Memorialist, therefore, humbly prays your gracious honor to take the house for any Government Office or Railway authorities, recommending to Government at a cost of Rupees 4000 or according to the estimated value to be fixed by the District Engineer.

8. This act of benevolence would enable the Memorialist to carry out his trade and thus maintain the respect and dignity of his forefathers by obtaining sufficient means of livelihood.

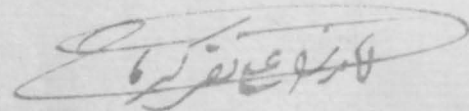

9. In conclusion the Memorialist humbly and respectfully prays that your honor will be good enough to take the house for any Government Office forwarding this Memorial to Government with your honor's kind recommendation.

10. For which act of kindness, the Memorialist shall as in duty bound ever pray for your honor's longevity and prosperity.

11. With full hope of respect and pardon for the intrusion on your valuable time.

Memorialist humbly begs to remain,

Your most obedient Servant,

(Signed) AGA MIRZA ALI NACKHY KIRMANY.
