READ—the following paper :—

Proceedings of the Board of Revenue (Land Revenue), dated 23rd February 1891, Mis. No. 1199.

MR. G. McWATTERS.

Read—again Proceedings of the Board of Revenue (Land Revenue), dated 14th August 1890, Mis. No. 5129.

Read—also the following letter from J. THOMSON, Esq., Acting Collector of Tanjore, dated 18th November 1890, No. 819.

Adverting to the Board's Proceedings, Mis. No. 5129, dated 14th August last, I have the honour to submit a plan and estimate for Rs. 2,470 for improving the Tanjore taluk office.

Read—also the following letter from Major D. McN. CAMPBELL, R.E., Superintending Engineer, V Circle, dated 23rd January 1891, No. 53 T.J.

At the request of the Collector of Tanjore, I have the honour to forward the plan of the taluk office at Tanjore, which accompanied the Collector's letter No. 524, dated 29th July 1890, disposed of in Board's Proceedings, Mis. No. 5129, of 14th August 1890.

Resolution—dated 23rd February 1891, Mis. No. 1199.

Submitted for the orders of Government.

2. The Collector finding the Deputy Tahsildar at Tanjore, who is housed in the taluk cutcherry, pressed for room, proposed at first to build him a separate office, but subsequently reported that it would be sufficient to extend the taluk record-room and ease the Deputy Tahsildar by removing his records thereto. A plan and an estimate for the proposed extension are submitted. The future record-room will be about 60' by 15' and the extension is estimated to cost Rs. 1,159.

3. It is reported also that certain wells in the cutcherry have been repaired at a cost of Rs. 353 and that iron wire fencing to be fixed round the building has already been purchased. The cost of fencing and the charge for fixing it amount to Rs. 928. A provision of Rs. 30 is also made for a store-room. Thus the total expenditure comes to Rs. 2,470.

4. The Board recommends that it may be sanctioned and the necessary provision made in the Public Works budget.

SIR,

I have the honor to submit for the
sanction of Government an Estimate
amounting to Rs. 5875 for constructing
a Sub Magistrate's cutcherry at Tanjore.

2 The present room in the Taluk
Cutcherry in which the Sub Magistrate's
office is located is insufficient and
the Tahsildar complains of want of space
for his records. When I inspected the
Taluk Cutcherry in June last I found
that some enlargement of the buildings
was necessary for the housing of records
and for the accommodation of the Town
Sub Magistrate and addressed the D.P.W.
on

on the subject. The Superintending Engineer has accordingly sent up an Estimate for constructing a separate office for the Sub Magistrate.

Sir,

Referring to your letter, No 4215, dated 10th Instant, I have the honor to state that I inspected the Taluk Records, this morning, and found that, out of 872 bundles

Existing, only 103 bundles can be destroyed,

* Village Accounts as per No. of bundles the remaining
old Manual No. 1 to 3 54 769 bundles

+ 10 to 13 10 consisting of

Village Officers Pay Abstracts 10 281 that should

Petitions regarding transfer of lands under deeds of consent &c 30 be permanently

Jamabandi accounts attachment lists &c 9 retained and 488

Total 103 that should

be destroyed

hereafter periodically. Besides these bundles, there are 205 Ladgi rolls of old

Pymish Survey accounts and two big boxes containing maps, placed in and outside the Record Room, respectively.

These records are now kept in the Record Room proper of the Taluk Office and

Rev 1506/991.

and, in one of the Rooms attached to the Sub Magistrate's Office Building and that Officer complains that, for want of space, his records are kept in a confused state. The destruction of the above 103 bundles will give no convenience of space in the Record Room, as additional bundles will be brought in periodically. The village accounts of Fali 1298 have now to be made over to the Taluk Record Keeper and these together with the bundles that will accumulate in the Taluk Cutcherry itself may come to about 150 bundles. It is therefore necessary that either the present Record Room of the Taluk Cutcherry should be extended or the Sub Magistrate's Office building, vacated.

I have &c

From J. Thomson Esquire

To Mr. A. P. M. Esquire
As Secretary to the Commissioners
of Land Revenue
Madras.

Sir,

On the reference of 8th May last upon General Register No. 1242 of 1890, I have the honour to submit the plan of the present Taluk office of Tanjore.

2. I went over the premises recently and noted the crowded state of the Record room. The Deputy Collector being referred to, has replied as per his letter & copy enclosed No. 817 of the 15th inst. to the effect that destruction of records will not sensibly extend accommodation.

3. It is not, in my opinion, necessary that a new Sub Magistrate's Cutcherry should be provided. As the Board will note from the plan, it is a small office with a small Record Room; but only the current records should be kept there, the Taluk Record Room being available.

4. The Taluk Record Room must however be

be extended. It is only 11 yds by 5; too small
for a Tabuk like Sanyore. There is plenty
of room for extension lengthwise towards
the north.

5. As the stands are ranged in it at
present they come close up to the windows.
The windows are many, the walls are
thin, and as there is no verandah the
exposure is very great. I should prefer
a small verandah for weather pur-
poses; loiterers will always be found
round a cool room whether there
is a verandah or not unless they are
persistently driven away.

I have the honour to be,

Sir

Your most obedt servant,

Resolution:-

The Collector is requested to put
himself in communication with the Public
works officers and get plan and estimate
prepared for extending the record room
of the Taluk office so as to provide more ac-
commodation for records. The Board approves the
way in which the record room windows are
now arranged, and thinks it better that there
should be no verandahs.
