From

Henry Irwin, Esq., C.I.E.,
Consulting Architect
to the Government of Madras,

To

The Chief Engineer
Public Works Department

Sir,

Enclosures.

With reference to Code para 973. I have the honor to enquire whether the furniture for the new High Court, now approaching completion, is to be supplied by this office or whether arrangements are made to supply them by the officers who will occupy the buildings.

2. This information is required in order that sufficient time may be allowed for getting the several articles made and purchasing the timber. I believe that furniture though not usually a P W D work can be made very well for the Courts and offices attached as I should think that nothing but substantial articles such as plain tables, chairs and benches will be required.

3. If it is to be made under my

Orders

orders, the officers of the High Court should furnish me with a complete list and discription of the furniture to be made.

I have the honor to be
Sir
your most Obedient Servant.
