General.
Account.

READ—the following paper :—

Office-note from the Examiner, Public Works Accounts, dated Madras, 28th April 1891, No. 2462.

In continuation of my office-note No. 1647, dated 18th March 1891, I beg to submit a list of vouchers long overdue on the 15th of April 1891.

3. There are 32 vouchers due from No. I Periyár division against 29 as per last report. The number of vouchers against the South Arcot division has now increased to 21, and it seems necessary to call special attention to the apparent want of attention to the matter in this division.
