READ—the following paper:—

From H. W. FOSTER, Esq., Registrar of the High Court of Judicature, Appellate Side, to the Chief Secretary to Government, dated Madras, 25th March 1891, No. 875.

I am directed to forward, for the Government's sanction and for allotment of funds, two plans and an estimate for the construction of a court-room for the District Munsif of Ongole in the district of Nellore.

2. The necessity for improving the court-house was brought to notice in 1884 by Mr. Campbell, the then District Judge, who remarked "the court-house is a miserable structure and the accommodation afforded by it is quite inadequate It is inconveniently narrow and dark, and witnesses, vakils and clerks employed at a hearing are all huddled together in an unseemly and irregular fashion. A new court-room, for which there is space, will be estimated for, so that this court, which is the heaviest in the Presidency, may be decently housed."

3. Plans and estimates were thereafter called for with the approval of the High Court and have now been prepared and submitted by the Public Works Department authorities. I am to say that, in the opinion of the High Court, the addition to the building is urgently necessary.

Approved and transferred to the Public Works Department.
