The Chief Engineer,
P. W. Department.

Sir,

I have the honor to state that an estimate amounting to Rs. 750 for constructing an office building at Yerped for the Kalahasti Sub Division has been sanctioned by me, and to request you will be good enough to allot funds for the same if the outlay cannot be met from the lump sum allotments under Provincial Minor Works.

I have the honor to be,
Sir,
Your most obedient servant,

R. R. E. Drake Brockman

It is a question
whether the relief
works in the Kalahasti
Zemin dang, which
have been formed
into a special sub-
division under Mr
Watson, will be
required long enough
to necessitate the
construction of a
permanent structure
for the office at Yerped.
If not, it would
perhaps be better
to ask the Subdy
Engineer to report
whether the office
cannot be located
in a rented building.

From the amount
of the estimate, it seems
evident that only a
temporary structure
will be made for the
S.D. Engr's office at Yeapad.
It is not likely that
a rented building will
be available in the
near future. The
allotment made
for might perhaps
suffice.

An office is
necessary. I don't
know where it is
being held at present
but I think the
allotment asked for
might be used.

From the S. E. IV Circle No 201 Engr. d/21st April 1891

A sum of Rs
750 is allotted from
the Provincial reserve
with the Government
for constructing an office
building at Yeapad
for the Kalahasti
Sub-division of the
North Arcot division.

I suppose it is only a temporary shed.
