Proceedings of the Board of Revenue

Dated 13th March 1891.

No. 783 Mis.

Resolution.

With reference to para 5 of f.o. 29th January 1891, No. 286 W, Public Works, the Board begs to invite the attention of Government to f.o. 11th February 1890, No. 442 W, in which an estimate amounting to Rs. 8900 for constructing a dam across the Valavanar was sanctioned for execution "when funds are available". The sanction was registered as Imperial No. 36 W of 1889-90 and classified as "civil buildings (salt), original works". 2. As the Board was under the impression that it was for the P. W. D. to

to apply for a re-allotment of funds
whenever they considered it possible to
take the work in hand, it did not
ask that Department to again include
it in its Budget for 1891-92 - If
this latter procedure is necessary
provision will be made in the Budget
for 1892-93 in which year the work
may be executed. It will be remembered
that the Board was not convinced
of the necessity for the construction of
a permanent structure of the
kind suggested, as it considered that
the present plan of annually constructing
a temporary dam would answer the
purpose equally well - (vide Board's
Proceedings No. 65, dated 11th February
1889 printed with G.O. No. 576,
dated 20th June 1889) -
