11TH MAY 1891, No. 1292 W., PUBLIC WORKS.

GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From Brigadier-General E. H. EYRE, Quartermaster-General, to the Secretary to Government, Military Department, dated Ootacamund, 7th April 1891, No. 727 M.W.

With reference to G.O., Ecclesiastical, No. 49, of 12th July 1890, copy communicated to this office with Military Department No. 1242 of the 2nd ultimo, I am desired by the Commander-in-Chief to forward for orders and transfer to the Public Works Department for disposal plans and estimate, the latter, amounting to Rs. 1,925, for providing a cemetery for non-conformist adjoining the Armenian cemetery on the Island, Madras. Original letter of the 30th ultimo from the Wesleyan Chaplain, Madras, together with endorsement thereon by General Officer Commanding Madras District is also enclosed.

2. With reference to para. 4 of the above-quoted Government Order, His Excellency considers it inadvisable to designate the cemetery in question, which is to be provided for all non-conformist soldiers stationed in Fort St. George, the "Wesleyan Cemetery" or to place it entirely in the charge of a minister of one denomination only, and considers there should be a joint charge.

ENCLOSURE.

From the Rev. T. H. WHITAMORE, Wesleyan Chaplain, Madras, to the Assistant Adjutant-General, dated 1, Rundall's Road, 30th March 1891.

I have the honour to return, herewith, the plans and estimates kindly submitted for signature, and have to intimate that while we generally approve of the plan suggested by Mr. Irwin, we should have preferred an elevation for the entrance in a plain castellated gothic style to differentiate it from the other cemeteries close by.

2. And also that while we can accept the proposed arrangement for Wesleyan soldiers, we have no power to act in this matter for other denominations except so far as to say that no one of another persuasion than our own would ever be denied right of interment or access for purposes of interment.

No. G. 266.

Forwarded to the Quartermaster-General for favour of orders. It is of course impossible for the Wesleyan Clergyman to speak for other religious bodies. He accepts for the Wesleyans, and he states that the Wesleyans will not object to other non-conformists burying their dead in the cemetery. Could the cemetery not be styled "The Wesleyan Cemetery" and placed under the Wesleyan minister? The Rev. Mr. Whitmore's remarks about the wall, &c., I consider deserve consideration.

for Brigdr.-Genl., Commanding Madras District.

READ—the following paper:—

From the Venerable J. F. BROWNE, B.D., Archdeacon of Madras, to the
Chief Secretary to Government, dated Madras, 10th October 1890, No. 443.

I have the honor to submit, for the favorable consideration of Government, a
revised estimate, amounting to Rs. 4,240, for extending the cemetery of St. George's
Cathedral, Madras, together with a comparative statement and report. The original
estimate of Rs. 3,674 was sanctioned by G.O., No. 1045 W., dated 16th April 1889.

2. The cause of the excess, viz., Rs. 566, is explained in the Engineer's report
and is due to omissions in the original estimate and certain extra works that were
actually necessary. I trust the Government will be pleased to sanction the difference
required.

Approved and transferred to the Public Works Department.

Chief Secretary.
